

30 October 2020

Dear builders,

**Re: claims quoting system upgrades**

We're upgrading our claims quoting system.

What this means is that from 31 October 2020, we have increased the number of builders who can be shortlisted for a project from three to five.

We have also integrated the claims quoting system on our Builder Self Service Portal as well as the icare website, making it easier than ever before to view and apply for jobs that match your profile.

For more details on the claims quoting system, please see the FAQ attached.

Click [here](#) for the HBCF CQS User Guide - Builders available on the icare website.

Please contact us at [enquiries.hbcf@icare.nsw.gov.au](mailto:enquiries.hbcf@icare.nsw.gov.au) for any questions about these changes.

Yours sincerely,

Icare HBCF
